“ Please,accept my sincere sympathy in the loss of your mother...I was blessed with the opportunity to care for Ms. Dorothy during the last month or so, while she was hospitalized. She had become the bright spot of my coming to work while she was in CCU., also giving me the opportunity to bond with you guys. There are no words that can truly comfort one - during these times; but know, you are not alone and your grief is shared. You are in my thoughts and prayers....Annette Miller
