“ Sis Dorothy was special to us. My memory of her will be when I come home. She was one of the few mothers that I would get hugs from on Sunday. It made my trip help that much more special because I knew I would see her and Bro Roscoe. This past Sunday was hard being home because she wasn't there. I will miss her. God Bless.

*Dorothy lived her life to meet our Father in Heaven. For us, it was not the time to walk the golden stairs to Heaven. But for God, it was time and he opened the gates of Heaven to welcome her entrance. All the saints, family, and friends that had gone on before were gathered at the gates. She left us with wonderful memories and directions that, if followed, will allow us to see her again. Though we hurt and the pain seems unbearable, we can get through this. It seem like this your darkest hour has you paralyzed; like the sun has stopped shining. Lean on God during this time and believe me, your "sun" will shine again. Love to you all. Stephanie*
