“ I remembered cousin Dothy as a soft spoken, very helpful and loving woman especially to her kids.. She never complain , she is always a positive thinker, a happy person and a real bestfriend. I have wished that i have spent my time taking care of her in her last days.. I know that we will meet again in another lifetime. In behalf of my family here in the Philippines, we love you so much!!! you have all our prayers and we always remember you. You may rest in peace..
