*Dearest Granny,
The love you put out in our lives and in our community is unmatched. From peanut butter and jelly sandwiches to hamburgers and fries you gave all you had! To Dondrell, Donte, Jauron, Jamon, Danero, J'on, and the only girl besides me for a long time Keisha...I love y'all I'm praying for your strength. We need to bronze the little blue bike in honor of Granny because Lord knows we fought over that bike like there weren't 10 more available to ride!!! “ *Ms. Towns was so much more than my childhood babysitter. She was family.*

I remember always asking my mom if I could come over on days she did not have to work because I genuinely loved being at Ms. Towns' house. I spent so much time with her and her grandchildren that she would say I became one of hers, and she truly made me feel that way.

Some of my favorite memories include her trusting us to walk to the store for snacks, learning how to play my very first video game at her house, and just being surrounded by so much love and laughter. As an only child, being with Ms. Towns and her family made me feel like I was part of a big family with lots of cousins. It was a feeling I cherished then and still hold close today.

Ms. Towns was one of the sweetest women I have ever known. Her kindness, warmth, and love left a lasting impact on my life. I will always be grateful for the time I spent with her and for the way she opened her heart and home to me.

Rest peacefully, Ms. Towns. Thank you for loving me the way you did.
