“ Jean,  
Your gentle voice and kind manner touched many people. I feel blessed to have been one of those people.  
I remember the first time I had the honor of meeting you. Al (Danny) and I visited you and Tootie at your home on York St. I was a little afraid of meeting you and Tootie but my fears were soon laid to rest because you made me feel so warm and welcome that day and everytime after. Thank you for being my aunt, thank you for being a part of my life and thank you most of all for being the wonderful "lady" you were.
