*“ We keep telling ourselves that Dot is in a better place and indeed she is resting in heaven - but she is one who made her presence felt and will be missed by those who knew her. What a personality she had and she and her first cousins kept the Family in stitches - she will be missed so much at Family gatherings. To her immediate Family know that this Lady may be gone but she will never be forgotten and we will always remember that laugh and her words of advice and know that there are special people in our lives that never leave us - even after they are gone, Dot was one of those special people.*

Debra Jones-McConnell - October 09, 2021 at 03:06 PM

*“ To my Aunt Dot, I will always love you, and you will sorely missed. I could always count on your infectious laugh, and unfiltered honesty to bring a smile to my face. To my remaining family I know the hurt will not soon leave but I hope you can find comfort knowing that this is God's will.*

“ *This was my Grandmother who I loved so much! It seems unreal that you are gone. I do know that you are not suffering anymore, and that you are at peace. You and Paw Paw did a great job on my Mom Aunts and Uncles, and defiantly with us (Grand Children). Truly missed. Love you.*
