“ *Dear Altheimer family, I had the pleasure of meeting Douglas at Living Joy while my mom was there. I really enjoyed talking with him. He was such a soft spoken sweet man. He told me fishing stories and stories about his flower gardens. He would ask me what color roses I liked and said he was going to bring me some. I would say Hi Douglas, how are you today. He would always say fine now that you are here. Douglas was a true gentleman. He will be remembered and missed by every heart that he touched.*
