I will miss Drayquan's smile and swagger as he would walk through the WAY Academy. He worked with me on math and would give me a big smile when he figured out how to do a new type of problem. He then would work through his assignments being careful to get them done correctly. My prayers are with your family during this difficult time. May God grant you peace. Shelly Smith

Quan was my Psychology and ELA student. His smile brightened up the whole room when he walked into class. He worked very hard studying dreams, stress, writing, poetry. We studied Tupac's poetry and he was very proud of his As he earned. He smiled his bright, beautiful smile and loved earning those As. He was clever and sweet and had a big heart. He was a great addition to my room and my life. I will miss him. My prayers and thoughts are with his family and friends. Please let me know if there is anything I can do to help.
