“ I worked with Duane for several years at Flint Teaching-Family Home. Duane was like a surrogate father to the children, an asset to our agency, and a dear friend to me. I will miss him deeply.

“ Duane was a positive influence in the lives of the youth at the teaching family home. His interaction with, dedication to and concern for the kids was evident to those around him and particularly the youth. His cooking was also fantastic. Duane was a positive role model and the youth respected him. He was an example to us all.
