“*This young man was such a winner. I could tell he very much wanted to succeed in his life. He was simply an awesome person who seemed to always smile. Two or three weeks ago he dropped into my class to just say hello and give me a hug. I am so blessed that he did that. To his parents, I cannot begin to imagine your loss, but please know that Terrance touch so many lives at this college--including my own. Please know what a truly outstanding individual you raised. Thank you for sharing him with me. My heartfelt and deepest sympathy to the entire family. I loved this guy. Professor Donna Parkhurst, SC4.*

“ To the family of Terrance Keaton,

I am deeply sorry for the loss of TK. He was a wonderful person as well as a dedicated student. He really took the time and energy to learn the material for his classes. Despite some injuries during the 2009-2010 season, he never missed one of my classes. I appreciated him as a student. He will truly be missed on campus and in the community.

“ Our thoughts and prayers are with the Keaton family at this time of such great sorrow. T.K. was a wonderful kind young man and a great teammate to our son Devin on the Skippers basketball team. We will always remember his great smile and genuine true positive attitude. My fondest memory is when my husband and I brought in team dinner for the players. The boys were very thankful for the food and thanked us as they left for the evening. As T.K. was leaving he gave me a big hug and shook my husband's hand! He was truly appreciative and thankful and not afraid to show it! He will be greatly missed by all who knew him. May God grant his family and friends peace as they cope in this tragic time.
