“ *It was my privilege to work beside Earlene at General Motors in the 1990s. She was the first to step into the unchartered role of corporate nurse, and wore that distinction, not as a crown, but a mantle of service. It fit her well. Competent and composed, she carried professionalism without pretense and excellence without noise. I delight in many memories of her as I recall her warmth and gentle humor. My wishes to her family - may you find health and strength, blessings and joy, as you lovingly remember her and wrap fond memories about you. You have my sympathy and best wishes,

To my dear family and friends of Mrs. Earline Marie Hill. Please accept our sincere condolences to the family and friends of this beautiful angel. We're deeply saddened to learn of the passing of my dear friend and colleague.

As some people journey through life, they leave footprints wherever they go. Footprints of kindness and love, courage and compassion, humor and inspiration, joy and faith. Even when they're gone, we can still look back and clearly see the trail they left behind. A trail bright with hope that invites us to follow. This was one of Earlines dreams and commitments. And it was a blessing and a gift from God, and my pleasure to walk in her footsteps for many years.

Even though she has departed from us temporarily, we can still look back and clearly see the trail she left behind. A trail bright with hope that invites us to follow. Dear family and friends, my prayer is that you all will be

comforted , with all of the precious memories she has left behind , and God's presence.

May God's grace and His favor continue to abound in your life, and the lives of your loved ones and your friends. Much love to you all family.

With Deepest Sympathy,

Ms. Tommie J.Davis and family
