“ My name is Shalanda Conley (Dye) "Ernie" was the only father I have ever known from the age of 6. He helped my mother raise four lovely daughters. He affectionately gave all of us girl's nicknames 1,2,3,4. I was "2"! I enjoyed making you coffee with three sugars and pet milk, watching the Pittsburg Steelers with him as he explained what the steel curtain was. I can't forget those bomb Christmas! we use to have as a happy family. The Swat van was our family mode of transportations by in 76 and boy was it cool. We built so many wonderful memories on 4222 Brownell. One memory I would like to forget was when you tried to come my hair and it looked like a hot mess! I hope your soul rest in peace and you will always have a place in my heart. I love you Daddy.
