“ *I'm so sorry to hear that my cuzn/uncle has passed away, he was always the funny uncle that was fun to be around when I was in town and got a chance to see. Monique I'm here for you if you need me, I hope I am able to get there for you, Maxene and I both love you, and my prayers are with the entire family, your brothers and sisters too.*

“ *Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.*

“ Earnest was a beautiful person. Always smiling. Never speaking ill of anyone. Earnest and Lawerance I know you will miss your dad, but I know he will always be near. He fought a good fight and kept the faith. My condolences to you all. I know he is resting in peace now. For God is good all the time. I Thank Him for the friendship we had.

“ I know he is in a better place, but we can't help but wish he was here. To his girls in Flint, keep your head up and know that you there for him and took good care of him. Even though you were his step-daughters the mutual love was seen and sometimes felt by all. Lawrence you know he loved you with all of his heart. Be blessed and stay encouraged

“ Pistol,  
I just want to "Thank You" for always being a very nice person. Even when I left home you always found the time to seek my mother out and ask about how I was doing. I just want to let you know that made me feel really special. I know you are in a better place now but you will be truly missed. Once again, "Thank You" for being you and the nice conversation we used to have when I was a child and as a grown up.
