“ *I was 21 years old when I worked with Easter at Montgomery Ward. We worked together for only 2 years but her shy humor, smiling face, and her unusual first name left a lasting impression on me...so much so that I called her about 20 years ago just to talk. She was a wonderful person and I'm sure you have some great memories to keep you company until you see her again in Heaven...my condolences..Valerie*

“ *Sorry to hear about the loss of your loved one. Death is a enemy that as humans we will never get use to. In my times of sorrow I have found comfort in John 5:28,29 which says that one day we will see our loved ones again. Revelation 21:3,4 which says death will be no more.*
