“ I met Edith through The League Of Women Voters where she did loyal and meaningful work for a number of years. She was one of the most kind, admirable, and accomplished ladies I’ve ever known. We shared many meals together as part of a weekly “lunch bunch” in her later years. We enjoyed talking politics and “solving” world problems. I’m sure I will be among many who will remember her with love and respect as one the best citizens of Flint,ever! I’ve missed her wisdom and that “giggle”.

“ Will miss my friend, Edith Prunty Spencer. First met Mrs. Spencer when I was about six years old. She and Dr Spencer were visiting our home. Through the years we became very good friends, enjoying time together and talking about everything under the sun, especially politics! I would say crazy things just to make her laugh. Because of my deep respect for her, I could never seem to call her by her first name. She was a wonderful, kind Soul with the most Beautiful smile. She lived a long, full, good life, and was a inspiration to many! I Celebrate her Greatness! Well done Mrs. Spencer, well done my dear friend!

“ It's 216am in New York City and I am awake as I get up this early every single morning and I prepare for my day. My Aunt Edith was the last one to go in the double-dating crew that included my father, my mother, her and my uncle J Merrill. Flint Michigan had just a few wonderful occasions between 1959 and 1963 where the four of them went to a dance. Lois and I would say "don't stay out late." We got to pick our babysitter for the night and sometimes it was Charlotte i think, who was the daughter of Evelyn and Edwin Rhoulac. These people and especially my aunt Edith set the tone for my life. We left Flint in a whirlwind in June and August of 66 when daddy (and Lois and I) decided to move to his mother's home in East Orange New Jersey. What an incredible life. 11 years in Flint and 11 more in the Midwest for the second time. As I packed my bags to leave Fort Wayne in 84, I took one more trip 5 hours to say goodbye to my uncle J Merrill. I had lost two TV jobs in news and public affairs. He sat on the porch waiting for me. "You know. Edith and I have no children. You are my child. If you need me, call me." He flipped out a hundred dollar bill and he gave it to me. I cried and then I drove five hours back to the Fort. Who has been looking out for me? An Alpha. Laurence Anthony Howell a Vietnam 🇻🇳 veteran who is also a Green Beret. Tony's question was in 2006 "what do you want?" MORAL SUPPORT. Tony watches out for me every second. Who did daddy pick to be my husband? Hus twin. A little devil 🐼 from East Orange who took me to dinner on his birthday June 12 in 2021. You cannot make this stuff up. Retired Staff Sergeant Leroy Metz Jr is a Black Hawk deployed to Iraq 🇮🇶 3 times on a volunteer mission in 1993. He came back in 2013 the same year that I got accepted into permanent disability. You cannot make this up. Daddy took me to dinner and said "you see this. The man for you will do the same thing." Where did we go. To the finest Portuguese restaurant in the land. My great grandfather's father was a Portuguese Jewish man who married a slave. I wanted to choke him because he said "now I have a girlfriend..." he is also divorced with two grandchildren. He fell in love ❤️ with my cat Ronnie. "I'm gonna make you my big sister." I AM. AND YOUR MOTHER SENT ME TO SPANK YOU. this man is the little brother

that I wanted and the son daddy never had. Aunt Edith i hope is looking down along with my parents and her husband. Leroy is a good man but daddy is up there tracking his every move. God bless my precious sunshine aunt who is the sorority sister of my first mentor Carole Cartwright in Chicago from NBC.
