“ *My Aunt Edna was a beautiful woman and kind soul who contributed to my growth and development tremendously. I remember all of the special shopping trips she would take me on during the week, her being at grandma's to get her hair done and how she loved burning a couple of hotdogs on the fire for lunch before work. She has and always will hold a special place in my heart and mind. Blessings to all of my family that remain. Be strong in the Lord and in the power of His might!*
