“ *To our Woods & Poindexter families, I know we all have so many heavy hurting hearts right right now, but joy will come in the morning. The angels flew down yesterday to bring Edna her wings, and to escort her on home to glory. Dana and Chris was there waiting with open wings to shower her with love and kisses, and many other loving family too. So let us pray for strength, as we go through this difficult time, and remember all the family values she left with us, until we share them with her again, we love you Edna for Eternity.*
