“ Uncle Ed,

I'm still in shock that you're gone. I wish we could've spent 20 more years together. We shared a special bond that no one could come between. I was your favorite and you were mine...that was no secret. My heart is hurting. I will never forget about you & I promise to treasure all of our memories. You can finally rest and sleep with no worries. Now you can join my Mommy and help her with watching over all of us. I'll always love you with all of my heart. I don't want to say too much cause tears are starting to form.....so I'll end this not by saying good-bye but see ya later and have a spot for me when I get there :)

P.S I'll always be your "Indie Noelle"

“ *May God rest your soul & spirit and provide my mom with the strength she needs to accept the fact that her baby brother is no longer with her. Uncle Ed you will be truly missed and your presence will never be forgotten (Your favorite quote: bet bet on that baby...killa bee bee there will never be another), and you were absolutely right, there will never be another!!!!!!*

“ *For everything there is a season,
And a time for every matter under heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck up what is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to throw away stones, and a time to gather stones together;
A time to embrace, And a time to refrain from embracing;
A time to seek, and a time to lose;
A time to keep, and a time to throw away;
A time to tear, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate,
A time for war, and a time for peace.*
