“ *Bay Bay Dukes I have known just before they build I 475 through Flint, that scatter us all about. My cherish memory of him was his highly competitive nature and the joy he had playing basketball, especially the card game Bid Whist at the HE (Howard Estates). Ba Bay had the uncanny abilities to out bid your make-able "Five Special/ downtown" with a "Six high, Six low or Six no trump....and win! I use to wonder if he was a mathematic genius when it came to calculating how high to bid and win. While he was playing his high bid you would see intensity on his face as he sweated out another victory. Don't let him and his partner run a "Boston" on you because you never hear the end to it. I pray he run to "Heaven" this time and send my condolences to his family. Henry Younger*
