“ *If tears could build a stairway and memories were a lane. We would walk right up to heaven and bring you back again. No farewell words were spoken. No time to say good-bye. You were gone before we knew it, and only God knows why. Our hearts still ache in sadness and secret tears still flow because that what you meant to us. As time passes, we know you want us, to mourn for you no more, but to remember all the happy times, life still has much in store for us. You'll never be forgotten, we pledge to you today a cherished place within Our hearts is where you'll always stay.*
