“ *Dearest friend I'M missing you soo terribly right now, your last words to me I'll call you back I waited but you never called. You just left me without saying goodbye. I understand heaven is your home now but I'm missing our nightly chats. We never gossiped but talk about everything, the Lord, the church the world our children, our families we were more like sisters than friends. I'll miss calling you for a time of prayer and fasting or where I can find a certain scripture or words of encouragement. My prayer partner and warrior you are missed, I only pray with time the hurt will be resolved. Sleep on in Jesus. I miss your sign off Luv, Luv. goodnite.*
