“ I'm so sorry to hear of your passing. I've been back in town and I've been saying that I was coming to visit you so many times and never made it. Well this just goes to show people and myself that we can't keep putting off until tomorrow what we can do today. Death has no hour and God saw fit to bring you home. I've always said that God wants something good too. It makes me sad that I didn't get to see you but the memories that I have of you will never die. May your soul REST in GODS loving arms. No more sickness or sorrow, pain and cares. Jesus promised!! Amen Sending love, prayers and hugs to her loving sons my pops and everyone who was and is affected by this great loss. May God give you comfort in your time of need. 🥰🥺🥹
