“ *To the Paulk Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ *To the entire Paulk family, our sincere condolences. For to be absent from the body is to be present with the Lord. Chris, Tiny and Mickey my heart goes out to you all. I am finding as the years seem to have flown by that death is a frequent occurrence as much as life is and the older we get even more. I am convinced your mom has gone to a better place that one day we too will experience! Glory to God! This journey of life seems brief, know that you all cared for your mom till the end. Job Well Done! If you need Mab I am only a stone's throw away! In the meantime, my prayers! 🙏*
