“ Ella I will always and forever love you. As a child I remember your love and kindness. You welcomed us in your home and took care of me and my sisters and brother when nobody else would. My mother Glenda loved you and your light has carried with me for a lifetime. You were one of the first people in my life that showed me the importance of unconditional love. You were an Angel here and one of God's prized Angels now. Rest in heaven. Love you Leya
