“ I light this candle in memory of my beautiful Aunt Ellen. God loved her more and didn't want her to suffer any longer. I have so many beautiful memories of her and just want to cherish them right now.... We didn't talk on the phone often or seen each other often, but without a doubt, I know she knew I loved her so very much... To my cousins, her children, I say, look the God for your strength because he is our comforter... I love each of you dearly... I just want to remember her as I last seen her and cherish my memories of her.... To cousins, Curtis, Mae, Arthur, Willie, Annie, Alvin, Pastor Michael, Georgia, Nelson and Margaret, we all grew up like brothers and sisters, I love each of you so much and pray that you know that cause my heart hurts so much for you all right now... Pastor Marshall and I will continue to pray for your strength and guidance... I love you I won't say goodbye cause I will see her again....
