“ My deepest sympathies to my extended village family in the passing of your mother, grandmother, and wife. She was truly a special person to us all. She was always so sweet and kept a smile on her face. One of my fondest memories of her was her flipping my baby 40 years ago so he would sleep at night. I have been flipping all our village babies since then. She left that gift with me. I'm so glad I was able to see her on this past Fri. She looked so pretty and peaceful. She even smiled for me. Praying that God will give you all strength and comfort. I'm here for the family if you need me for anything. I love you all. Prayerfully, Kimberly Teamer
