“ *Karen Tammy I am so sorry to hear about your Mother, I just found out about it yesterday. My heart is sadden and I feel your lost. I loved her and I will miss her. We all grew up like sisters and I will always love you. Please call me I don't have a good number for you I tried the one I have with no success. Remember your mom with smiles and laughter because thats the way she will remember you. If you can only remember her with tears and sadness She would not want you to remember her at all*
