“ Where do I start.. Elsie always wanting me to do her hair, her bringing me fish when she getting of the fishing bank, her always making me laugh and at the end of her jokes saying(getta getta), her making sure she come see me when I came to flint and for the last 3 years it's been difficult seeing you with this machine that you always had to carry. Elsie I wouldn't have thought the last time I would see you would have been last month. I'm glad I did and you were looking oh so beautiful. I know your not in no more pain. I'm sad to know your gone .. **BUT YOU WILL ALWAYS REMAIN IN MY HEART.** Love you cousin.
