*During your life time, many people will cross your path. Many come and go, yet a few stand out more than others. My friend is no longer with us and all I have are the pictures that I've been blessed to take of her over the past six years that I've known her. My dad taught me how important and valuable pictures become once we've lost someone special. This was a labor of love and we've lost quite a few friends over the past few years, yet I'm able to do this for Elva. We Miss you My friend.*

Cheryl CJ Horton - February 18, 2022 at 01:30 PM

*Ms. Elva texted me " Love you- You are one of The Sweeties Ones Love you" and her first text message to me started with "Hello! Sweet Baby". She always believed in me when others didn't. She Loved being around people and above all She Loved having her picture taken. No one will ever replace her and she will live forever in my heart and mind. RIH Elva, I Miss You and so Do So Many Others.*

I'm going to miss your singing and directing the choir! I will never forget if we didn't sing the songs right, we weren't going to sing them until we got it right!
