I was very hard broken today, when I was looking in the obituary today & seen Mrs. Moss. As you know she was my 9th grade teacher 1976 @ Northern Hi. I remember Mrs. Moss teaching me to make my 1st pair over ralls. She was such inspiration in my life. I got in trouble for chewing gum in her class room. I never chewed gum again. My condoesence go out to the family. Especially her better half.

“ Denise was a colleague and fellow teacher at Northern High School from the mid to late 70's while I taught at Northern. Her room was directly parallel to mine on the third floor in the opposite corner. Every morning, I would observe her at her classroom door smiling and greeting all the students. Denise loved the students, and they loved her. Denise had a zest for life; she was enthusiastic and joyful every time I saw her. She was filled with the Lord's spirit and was beautiful inside and out. One Christmas, Denise took the time to sew a green, felt tree skirt for my Christmas tree--among all her other holiday tasks . . . She was blessed with many talents. There is no doubt in my mind that she is now with the Lord, and her family and friends who predeceased her. May your soul rest in peace, my dear friend. Flint was abundantly blessed to have such a beautiful and capable person in the community who made a difference every day of her life--and, as another said, truly an angel on this earth. You and your family are in my prayers and will continue to be. God bless~

Michelle and I were sadden to hear about Mrs. Moss' transition. As former students, we often spoke of her with great respect and appreciation. Mrs. Moss was a kind, sincere, and generous woman of God. She wore a contigious smile and often shared positive comments about others. Mrs. Moss will always be remembered as a "Virtuous Women" Proverbs 31:24-31.

“ So many fond memories of Denise growing up when we attended Queensland together and when we reunited at Fitz High, taking the Home Economics Class together, our Senior year. Dwight, definitely remember the two of you as a serious dating couple in high school.

Although life took us down different paths after high school, we maintained our friendship and connections thru family, occasional homecoming visits, reunions, Christmas card exchanges and telechats. Denise and her family were admired and respected throughout the Fitzgerald Community. She will long be remembered as a Lady who possessed many fine and admiral qualities that are exemplary for young people to follow today. Her friendly smile and never lost for words personality is enamerd in my memory, and will be forever cherished.

It is my prayer that the depth of your faith and the love you have for Denise will comfort you at this time of sadness. May God Bless You All.

“ To the Street/Moss Family:

My name is Nylar Mon'a Roberts. I was the first baby to attend Kennedy Center Alternative High School "In School Child Care".

Mrs Moss always loved how my grandmother and great grandmother dressed me as a infant/youth and teenager. However, Mrs. Moss was a Sharp Dresser herself. Later Mrs. Moss realized she knew my Grandmother and Great Grandmother which also worked as Educators for Flint Community Schools.

She always followed my "Education" and" Grades" with consistent conversations with the both of them. I Graduated from Luke M. Powers Catholic High School class of 2012.

She and her Mother took time and attended my Open House at Sloan Museum July 15, 2012. She wispered in my ear, Nylar," she said, if things don't work out at the University of Kentucky, give me a call. I can clear the Door for you to go, where I went to College". She will be missed by my Family, and most of all my Mother, who was her Student. Mrs. Moss kept it 100%.....

P.S: I have pictures of the open house with her and her mother. I'd be happy to forward copies of them for your viewing and keepsake.

“ I am sorry to hear of your loss. May you find comfort in family and friends at this difficult time. The Bible gives hope that soon our Creator Jehovah God will end all suffering, pain, and death. And we have the hope of being reunited with our loved ones that have passed away. Rev 21:4, John 5:28-29. There will be many of those asleep in the ground of dust who will wake up to indefinitely everlasting life.

“ I would like to send my condolences to the family. When someone we love dies it's very painful. But the Bible talks about doing away with this pain at Rev 21:4. May the God of comfort, comfort your family at this time.
