“ *The Joy in Joyboy! I used to love seeing him walking in the door. He would relieve me on night shift. He was so high spirited and loved announcing at WFLT! That's all he used to talk about, DJaying for gospel skate and his love for playing gospel music. He loved his job!*

My prayers go out to the family. He will be truly missed

“ Saying RIH from the Nance and Jones family. Elwood was our childhood friend when we lived on north street. He would certainly entertain us with his James Browns moves. After not seeing him for a while a saw him years later still doing his James Brown dance, but it was in church at Harris Memorial Church. We will miss you
