“ *Brother Lott was one of the kindness most gentle person I have ever known He was faithful to God, his church and his family. I called him my brother and Brenda my sister. They befriended me both in the church and out when I came to work in Flint. May the angles welcome him home and accompany him on his journey there. May they watch after his family while he sleeps. Blessed are the dead who die in the Lord for they rest from their labor and their works do follow them.*
