“ Our God is a great God and He makes no mistakes. I will truly miss hearing Emery's voice, especially when he talked about his "road dog", Earl. Now all 3, including "hard leg", have made peace with the Architect of the Universe. Emery could always make us laugh telling stories about their Masonic travels. Darlene, remember when Earl got his Past Potentate degree. LOL. Thanks for helping me with my Mom at Earl's tenebrae. You will always be a Saint in our eyes. If you want to cry, talk or pray, I am just a phone call away; take your time grieving because you lost a loving husband. We love you and there's nothing you can do about it!!!!
