“ This beautiful baby girl stole my heart from the first day I met her! She showed us what a fighter she was from day one. She had a way of giving the biggest lesson in patience ever. She had such a beautiful soul and glowed when she heard her mommas voice. I miss her beautiful smile while she would be sleeping, and her “help” she liked to give with diaper change. You will never be forgotten sweet Epiphany!! You will always have secret place in my heart. Until we meet again ❤️

ME

I feel blessed to have been in this sweet baby girl's life. The first day I took care of her, I fell in love with her. Miss Fanny had a way to her that would tug at your heartstrings. She was so feisty yet the sweetest little peanut. She loved to sleep on her belly and suck her thumb. She tried to always be helpful during diaper changes and bath time, grabbing at anything she possibly could. She would light up whenever her momma was there. My favorite moment with her is when she got to snuggle with her mom for the first time, skin to skin for almost 2 hours. There wasn't a dry eye in the room. I will never forget that moment. Heaven gained the most precious angel. 🙏 Fly high sweet Epiphany 💕
