“ We are so saddened by Eraina's passing! She is our sister by another mother. All of the Barbie girls are our full fledge sisters (Garland and Pinky our brothers). It hurts to know we will not see her again in this life here on earth.

She is in a place where there are no more tears, pain, suffering or struggles, sadness, no more battle warfare... We miss you dearly already can't find the words to truly express our grief.

Love Always,

Cynthia Alexander-Stokes and Iva J. Alexander (Whittlesey St. next door neighbors)

“ *The Youngers's pray that the LORD gives the Barbee family comfort, healing, strength and peace.*

When you and your friends both come from large families,your sibling may match up in ages with your friends sibling's ages. Those relationship bond you together like cousins. When the Barbee's hurt the Younger's sometime hurt too. I have known Eraina for many years and we have greeted each other many times. Below is a quote I like to share, the author is - Unknown.

Goodbye hurt more than anything. Especially when deep down you know you will never say "hello" again. RIP
