“ Eric Hodo was a extremely nice young man.  
May you cherish his memories forever, and find comfort in these words: "To be absent from the body is to be present with the Lord for all who die in Christ".

“ When ever Eric and I would talk he always had a handsome smile. We always talk about the long drive from Flint to Pontiac and getting to work on time and safe. I will miss that smile but he has gone to a better place until we meet again keep smiling.
