“ Hello,

My name is Pamela Traeye. I just wanted to take this time to offer my condolences to your family. The death of a child brings out emotions and questions in us that no one can pretend to sympathize with. I just wanted to let you know that God did not want your child to pass away and in due time, "He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces..." See, God will do away with death. Jesus offers us further hope of a resurrection at John 5: 28, 29. He states: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." Jesus resurrected many children back to life as mentioned in the bible and like those parents you too will be beside yourself "with great ecstasy." - Mark 5:42, Luke 8:56. There will be a day when Jehovah will provide relief from the pangs of death as mentioned at Rev 21:3, 4, "And he will wipe our every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Please, if you want to learn more about God's promise of doing away with death, feel free to contact me via email. pamelatraeye@hotmail.com

“ Eric was one of my daughter's friends. Eric will be dearly missed, he was a real sweetheart. He always spoke and gave me a hug when he saw me. He had such a great spirit and would easily liven up a party. I pray they catch the young men who took his life. May God continue to comfort family and friends.
