“ *"Erich", Peaches and I are so hurt to hear of what has happened, we're praying for and with you all. I know that God will give y'all what you need to deal with what you must do, please know that we have not forgotten about you, you're still our brother, and we love you with the Love of Jesus(The Christ). I wish I had words that would make it all better, but the comfort you all need can only come from God through His Holy Spirit; we pray for your total healing my brother, believing that you all are covered with the Blood of Jesus. We know that it seems impossible, but you will get through this, God WILL help you.*
