“ Only God knows baby...only God knows! Family tragedy. Took attendance I believe you were absent. Absent from the body present with the Lord...If the body is here what is with the Lord? The soul..The soul is a part of humans regarded as immaterial, immortal, separable from the body at death, capable of moral judgment, and susceptible to happiness or misery in a future state. Immortal is not subject to death or decay. God bless your soul. May it live forever! I love you.

“ May Jehovah bless you and your family in this time of sorrow. So sorry for your loss, but did you know that Jehovah God hates death he views it as an enemy (1Corinthians 15:26) and he has a yearning to conquer that enemy and undo death by means of the resurrection he long to bring back those who are in his memory and to see them live on earth again.(Job:14: 14,15)
