“ *Erica, I can't even put together the words to describe how hurt I am. No matter who came and went from my life I could always count on you to be there. We had disagreements but always bounced back. I want you to know I will always cherish all the laughs and memories we had together...you trying to teach me how to hip roll (which was unsuccessful) and me making us lose in spades. I'm gonna miss you so much BFF, rest well until we meet again.*
