“ Sonya -- When we lose someone we love, it seems that time stands still. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. You may not understand why he left this earth so soon, or why he left before you were ready to say good-bye, but little by little, you will begin to remember not just that he died, but that he lived and that your Dad's life gave you memories too beautiful to forget.
Please accept our heartfelt sympathies. We will keep you and your entire family in our prayers.
