“ Coach Mike, he was my friend coach I could always depend on a kind word from him either win, lose or draw. He always led by example in his role as assist coach he will always be remembered to me as a kind, lightly spoken man of honor. Good by my brother I'll see you on the other side.

“ *A Man that gave of Himself to all who had a Ear to Hear. As a Coach, and Mentor to many. I remember Mike had such a quiet reproach that all he had to do was Look at you over his glasses and you knew that it was time to change your direction!! :-) May God comfort the Family during this Season of your lives. Even though the body goes back to whence it came, Coach Mike Collins Spirit will always remain! From William, Deidra and Harris McNeal Jr.*

“ Coach Michael Collins was a great man to work with. His expectations for the FNW wrestlers were always consistent. He always had the student's best interest at the heart of his decisions. Coach Mike was my assistant for 3 years and after I left FNW he became the head coach. He was faithful to his calling to invest in the youth of Flint. My condolences to the family and friends of Coach.
