“ In My Pocket

*I have memories in my pocket.
They rattle among the change.*

My memories of you are treasures I carry wherever I go.

*They are stored in bits and pieces, parts of a beautiful whole
They give me comfort when I think I am alone.*

*Yes, I have memories in my pocket, like so much other stuff I keep
there.*

*But of all the treasures I have, it?s the memories of you that are the
most precious*

“ I will miss you much Chip. You and Leslie have been almost like family, next to my own family. We grew up together, had a lot of fun times and much laughter as teenagers and as Adults. Too many memories will I keep close to my heart. One day I will see you again. May God continue to bless our families now and the hereafter.

Luv you,

“ My deepest regrets for my dear friend. Chip and I met when we were 10 years old at Scott School. Our friendship continued at Whittier and Southwestern. Our paths crossed many times after graduation, as we were both in the piping business. We have lost a great man and a great friend. I love you like a brother. Rest in peace, Chip.

“ Chip and my brother, Anthony Evans, were good friends growing up. I remember my sisters and I used to call him "Chip-Dip." And to tell you how small Flint is, my children went to school with Chip's grandson, Brandon Carr, at Kearsley and never knew they were related. I am sorry to hear of his passing and my thoughts and prayers go out to the family.

“ I first met Chip and his family years ago at an Old Timer's Picnic when we were about 10 or 12 years old. My Uncle, Bob Tucker and Chip's dad were members of the Old Timer's. I thought Chip was the cutest guy and came from such a beautiful family. Although we lost touch over the years it saddens me that he has left this earth plane. May God bless and watch over the family members he has left behind. He will truly be missed.
