Praying for all of the McCoy family. Tennie was a nurse for most of her adult life. She provided professional nursing care for those in need. She was humble and loving. We are thankful for Linda and David Gibson along with Angela Davis who assisted her in her later days. May Teenie rest in peace. We all loved you because we are "family".

“For we know that when the earthly tent we live in is destroyed, we have a building from God, an eternal house in heaven, not built by human hands.” The tears I shed over the loss of my sweet cousin are quickly replaced by fond memories of our happy times together. I also take joy in knowing that she is again at home for all eternity with all those who loved her so much here on earth. Linda, David and Greg, the family will be forever grateful for the love and care you gave to our Teenie. Linda, you were the daughter she never had.

Love. Cousins, Angela, Ted, Jonathon and family
