Mrs. Ernestine (Norton) Williams, 68 was born July 26, 1948 in Galveston, Texas to Jack Curry and Pearlie Mae (Walker) Norton. "Tine" affectionately called by loved ones graduated from Mott Adult High School. She was a "Jehovah Witness" and witnessed to all people. She would call the neighborhood children into her home luring them with her good home cooked meals. As they ate she would preach about the "New World Order." A lot of peoples' first introduction to "A God" was at "Tine's" dinner table. The cooking she liked, but the people it brought is what she loved most. "Tine" enjoyed this time of year. She appreciated the changing colors of leaves on trees. "Tine" believed this time of year represented a shedding of the old to make room for new beginnings. It's befitting that she would choose this time to transition to her next stage.

Mrs. Ernestine Williams leaves to cherish her memory: husband, Joseph of 51 years; 2 daughters, Tina M. Williams and Chrishinda J. (Ricky) Phifer; 5 sons, Joseph R. Williams, Gerald L Williams, Lonnie B. Williams, Darrick T. Williams

“ *May the family find peace and understanding during these times. A Angel has departed this life ,Spreaded her Wings to Heaven. Ernestine always had a beautiful smile that would light up a room with her entrance. Soft spoken in school , and loved by many. May her Soul rest in Peace. Surely her spirit will be forever In our hearts ♡♡.*

“ I've had the opportunity to be apart of "momma's" life since 9/9/1986. She had a heart of gold with that beautiful smile always lifted people until she transitioned. Momma LOVED her grandchildren, children in general. I'll never forget the dinners on New Years as that was momma shared her love and showed appreciation. Boy!!! Momma could cook. I was blessed to spend time with her a couple of days before she stopped talking. No one can ever fill her shoes. The desire for me to go to her home expired when momma transitioned. I have tons and tons of great memories. May God bless her family to get through this difficult time. My mom transitioned in 2009. Now I have no "momma" but I can feel her presence and spirit with me. I had the opportunity to give her flowers while she was as she would often say "give me my flowers while I'm alive" and that I did. There's no guilt or regrets. I LOVE YOU MOMMA!!!! No more pain, tears, or disappointments. You're at peace now and this allows me to be "okay". Love Gayla or Gail as you called me.

“ My Jehovah bless Williams family during their time of sorry . Death can be hard ,but our special memories along with prayer and scripture can help us cope. I would like to share with you this scripture from (Issiah :25:8) that say Jehovah will shallow up death forever and that he will wipe the tears of our faces. I loved my sister dearly and will miss her and the conversations we shared and that smile.
