“ I remember seeing Ervin a few yrs back and he could not put my name with my face. When I told him who I was he said Greta girl give me hug. He had such a big personality, and was always cool and laid back. My heart goes out to his family especially my cousin Punky! I love you Punky and I will be praying for your strength because this indeed is a challenge!. Rest peacefully Ervin from reading some of your tributes you left an unforgettable mark on earth that you will carry in Heaven
