“ To the Richardson family. My Aunt Essie was very special to me. When we were all very young she would make different pastries for us when we would come back with fruit we had picked. I always had very fond memories as children being there. Aunt Essie seemed to have all the kids at her house and we would be there all summer long. Those were the days. She was my moms eldest sister and was loved by all. May your mother rest in peace from this life and enter into the rest of the Lord. May each of you find comfort in knowing that she gave so much to her family and I pray that each of you find the peace you need at this time of sorrow. We love you, Deborah, Nancy, Susan, David, Michael, Greg and Roxanne and all her grandchildren.
