“ Estella was a dear friend and mother figure to me. I tried to call Estella today and her phone was disconnected. I immediately called the last phone number I have for her sister Gladys. Her phone was disconnected too. I am devastated to learn Estella has passed away. Upon being recruited to Flint to work for AC Spark Plug, Estella took me under her wings and helped me navigate a new city and a new company. Estella and her husband Roy graciously welcomed into their beautiful home and imparted wise counsel. I will be forever grateful for their kindness and friendship. May God bless the family. “ Momma Gould. So glad I hugged on you, loved on you, laughed with you, and cried with you on June 27, 2024, not knowing it would be our last time being able to do so. When our paths crossed some 50 years ago, and our families joined in union, with the marriage of your son Darnell and my sister Kaye, we remained connected as one. You lived life with much vibrance and your style was unmatched! Rest well Momma G as you join Mr. Roy, and Cool Gould, aka, my forever brother in love Darnell. Your work here on this earth was well done and will be forever remembered.

“ My sincere sympathy and condolences to the Family of Estella Gould. I first met Estella, back in the day, at AC Spark Plug division of GM. That was my first job in Flint after graduating from College and transferred there, after a brief 6 months at the old Delco Moraine brakes Division of GM in Dayton Ohio. Estella was a mentor and friend for many years, and welcomed me and spouse Willis, took us under her wings, and we remained life-long friends. She was a grandmother figure to 2 daughters, Tara and Trina, who have fond memories of Estella, as she visited us often over the years, when we moved to Holland, Michigan. She always had good insights and stories about work and the Flint area. Truly a goodwill ambassador for GM and the Flint community. Now Heaven have received this great ambassador for God's eternal kingdom. Well done faithful servant of God for eternity. We will meet again one day.
Friends forever,
