“ *Today is the day u will be laid to rest, & u know that I can't handle seeing u like that my whole body will shake & shut down especially knowing the way your spirit was around everyone CheLoy BeautyQueen Walker. But u know what they say, God only takes the best. Everything happens for a reason, Even if we may not agree. Just promise to look after us, & if u can, Save a spot up there for me. The thought of never seeing u again brings tears to my eyes, & even more so, Because all of this was such a surprise. But we should never question what God has planned, Sometimes its not meant for us to understand. So as we sit here & mourn the loss of a beloved friend CheChe we have to keep telling ourselves that we will meet again. So go & run free with the angels Dance around the golden clouds. For the lord has chosen u to be with him & we should feel nothing but proud. Although he has taken u from us & our pain a lifetime will last Your memory will never escape us. But make us glad for the time we did have. Your face will always be hidden. Deep inside our hearts. Each precious moment u gave us shall never, ever depart So go & run free with the angels. As they sing so tenderly & please be sure to tell them that we all Love U & U cant wait to see us again. Rest up my friend 🌹🌸💋*
