“ Dad I'm missing you like crazy. Putting flowers on your grave for your birthday just don't sit well with me, it's not right. I miss you more than you know, my heartaches because I long to just talk to you. I love you so very much! Until we reunite I will always speak you into existence.

“ These months have flown by but I feel like u left me yesterday. Going to the cemetery to visit you is just not what I thought I would be doing. I've had some terribly rough days just knowing I can't see or talk to you. I was a firm believer that you would live forever because you we're just to stubborn to die, but I guess you gotten soft in your old age and had fought enough. I miss you so very much daddy. Thank you for loving me, and I know you are literally watching over me, because God made you a man 1st, a great daddy next, and my personal Angel in heaven. Love u Daddy

“ Many months have come and gone but the pain is still in my heart. I am yet still in disbelief it just don't seem real. I miss you more than you know and I just wish I could've had more time. I still need to hear your made up curse words, you cursing ppl out, you jumping clean as a whistle in a 3 piece suit for a kindergarten graduation(although my kids are all way past kindergarten) but I would make them all go back just to see that, I miss you trying to tell me how to drive(knowing full well I was born in raised in this city), I miss me telling you Daddy your the passenger sit back I to this, most importantly I miss how your eyes light up when I walk in the rm. I miss you dearly some days I don't know how I made it., but I'm trying to get through the cold thing called life. I LOVE YOU DADDY and think about you each and everyday.

“ My first love you will always be. It's been a month and 2 days when you closed your eyes and left me. I've cried many tears, laughed, and cried some more. You will always be my number one guy there is not a man who will ever love me like you and for that reason alone I know how I should be loved. These days have been a challenge and some more unbearable than others, but I know I must continue in my new life and not be consumed with so much grief. You are missed so very much Daddy. Thnks for the laughs, memories, and most important the irreplaceable love. I love you and miss you so very much Daddy, Your "Baby"

“ *Dear Hodo Family and Friends,
I am so very sorry to hear of the loss of your dear loved one, and offer you my sincere condolences. Many have found comfort and hope in knowing that the Bible assures us: “Jehovah is close to the brokenhearted; He saves those who are crushed in spirit.” (Psalm 34:18) God’s holy spirit, or active force, can equip you with “power beyond what is normal” to go from one day to the next.(2 Corinthians 4:7) It is my sincere hope that this gives you a measure of solace in this most difficult time. My family wishes you and yours peace.*

“ Greta and Family, I am so sorry for the loss of your Dad, your patriarch! I never met your Dad, but your stories just in these last few days speaks volumes of his love for his family and for his Babygirl, Greta. It is evident that you have his giving and friendly disposition. I will keep you and the family in my prayers. We can look forward to seeing both of our Dads, when Jehovah God resurrects them to everlasting life as promised! John 5: 28, 29.
